## EXPERIENCE

### CARE

2022 – 2025

#### Senior Designer

- **Leadership:** Led and mentored junior designers and contractors, improving quality and consistency through strength-based delegation and clear design processes; delivered marketing collateral valued at \$500K+ annually in equivalent agency costs.
- **Campaign Design & Visual Direction:** Owned visual direction for national and global campaigns with placements across *The New York Times*, *Time Magazine*, *Vanity Fair*, Meta, Times Square, One World Trade Center, Mercedes-Benz Stadium, and NYC Wildpostings.
- **Art Direction & Event Design:** Directed on-site branding and design for major events, including the annual Impact Awards gala, Dinner on Capitol Hill, and a photo exhibition with photographer Nigel Barker; partnered with creative directors and agencies to bring concepts to life.
- **Brand Refresh:** Led a visual identity refresh across U.S. and international teams, defining updated systems and assets; supported the internal rollout and carried the strategy into CARE's first campaign under the new identity, *WHO CARES?*
- **Editorial Publications:** Pitched and led the redesign of CARE's biannual Impact Magazine, contributing to increased donor engagement and a notable \$10K contribution.
- **Executive & Stakeholder Presentations:** Designed high-level presentations for leadership, donors, and partners to drive alignment, fundraising, and stakeholder buy-in.
